

AIR SOFT

Sofa

^{IT} Forme morbide e sinuose si uniscono alla sofisticata modularità del divano Air. Un prodotto evoluto che risulta particolarmente avvolgente e confortevole, grazie a materiali ad elevata elasticità e inalterabili nel tempo e uno strato in piuma d'oca selezionata e certificata. La tecnologia del telaio in alluminio e i sistemi brevettati di aggancio di sedute e schienali consentono di generare in pochi semplici gesti infinite configurazioni, garantendo la massima libertà compositiva. I supporti, disponibili in vetro temperato extrachiaro o in metallo, donano un'atmosfera eterea e innovativa agli ambienti in cui Air Soft Sofa è inserito.

^{ES} Formas blandas y sinuosas se unen a la sofisticada modularidad del sofá Air. Un producto evolucionado que resulta especialmente envolvente y confortable gracias a materiales con una elevada elasticidad e inalterables a lo largo del tiempo y a una capa en pluma de oca seleccionada y certificada. La tecnología del armazón en aluminio y los sistemas patentados de enganche de asientos y respaldos permiten generar en pocos sencillos gestos infinitas configuraciones, garantizando la máxima libertad compositiva. Los soportes, disponibles en cristal templado extraclaro o en metal, regalan una atmósfera etérea e innovadora a los ambientes en los que el Sofá Air Soft está presente.

^{DE} Weiche, geschwungene Formen verbinden sich mit der ausgeklügelten Modularität des Sofas Air. Ein fortschrittliches Produkt, das dank hochelastischer Materialien, die sich im Laufe der Zeit nicht verändern, und einer Polsterung aus ausgewählten und zertifizierten Gänsedaunen besonders anschmiegsam und komfortabel ist. Die Technologie des Aluminiumrahmens und die patentierten Befestigungssysteme für Sitzflächen und Rückenlehnen ermöglichen es, mit wenigen Handgriffen unendliche Konfigurationen zu schaffen, die maximale Gestaltungsfreiheit garantieren. Die Stützen, die aus extraklarem Hartglas oder Metall erhältlich sind, verleihen dem Raum, in dem das Air Soft Sofa aufgestellt wird, eine unwirklich und innovativ anmutende Atmosphäre.

^{EN} Soft, supple forms with the sophisticated modular build of the Air sofa: this is a highly developed product. Made from extremely elastic and long-lasting materials and with a layer of selected, certified goose down, it is ultra-comfy and inviting. The aluminium frame technology and patented coupling mechanisms for the seats and backrests allow you to create infinite configurations in just a few simple steps, giving you the freedom to build your own composition. The supports, available in Extrachiaro tempered glass or metal, give an ethereal, innovative stamp to any space that is home to the Air Soft Sofa.

^{FR} Des formes souples et sinueuses s'allient à la modularité sophistiquée du canapé Air. Un produit élaboré, qui se révèle particulièrement enveloppant et confortable, grâce à des matériaux inaltérables et d'une grande élasticité et à une couche en plumes d'oie sélectionnée et certifiée. La technologie du cadre en aluminium et les systèmes brevetés de fixation des assises et dossiers génèrent en quelques gestes simples une infinité de configurations, tout en garantissant une liberté de composition maximale. Les supports, disponibles en verre trempé extraclair ou en métal, insufflent une atmosphère éthérée et innovante aux espaces dans lesquels s'insère le canapé Air Soft.
