# PONZA

Design Gordon Guillaumier

**ALWAYS DESIGN A THING BY CONSIDERING IT IN ITS NEXT LARGER CONTEXT, A CHAIR IN A ROOM, A ROOM IN A HOUSE, A HOUSE IN AN ENVIRONMENT, AN ENVIRONMENT IN A CITY PLAN.**

(Eliel Saarinen)

The leather-clad body is made up of the round seat which continues, without any break in continuity, into the slightly curved wraparound back; the uniformity of the outline is broken only by the cut of the soft cushion as it lines up with the seat. The design of the leg cross-section, in ash wood, is unusual, starting from a semicircle which becomes thinner and rounded.

La scocca, rivestita in pelle, è composta dalla seduta rotonda che prosegue, senza soluzione di continuità, nello schienale leggermente curvato e avvolgente; la regolarità della sagoma viene spezzata solo dal taglio creato da un morbido cuscino che combacia con la seduta. Particolare il disegno della sezione delle gambe, in legno di frassino, originata da un semicerchio che si assottiglia e si smussa.
