Curtain system

Novel è una struttura metallica da completare con ripiani, pali appendiabiti, illuminazione e accessori, mentre Telon è la tenda che la nasconde alla vista, rivelando all'occorrenza un armadio, uno spazio di lavoro o multimediale, ma anche tutte queste cose assieme.

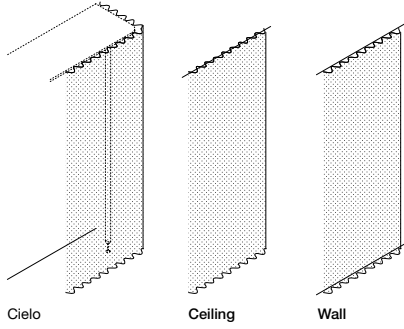

Novel is a metal frame that can be complemented with shelves, closet poles, lighting and accessories, whereas Telon is a curtain that hides it from view and reveals, in certain cases, a cupboard, a work area or multimedia space, or even all these things together.

Novel ist eine Metallstruktur, die mit Fachböden, Kleiderstangen, Beleuchtung und Zubehörteilen ergänzt wird, während Telon der Vorhang ist, der sie vor den Blicken verbirgt und bei Bedarf einen Schrank, einen Arbeits- oder Medienplatz, aber auch all diese Dinge zusammen offenbart.

Novel est une structure métallique que l'on pourra aménager avec des étagères, des tringles à vêtements, des éclairages et des accessoires, alors que Telon est le rideau servant à cacher son contenu.
