OLIVIERI VERY WOOD

C’era una volta un pezzo di legno...

(Pinocchio, Collodi)

Ritorno alle origini

Per noi di Olivieri il legno è da sempre una passione di lunga data, un’affinità naturale, una caratteristica radicata nel nostro DNA. Tradizione, matericità, ricerca, sperimentazione: nel 2015 abbiamo deciso di tornare alle nostre origini: un ritorno al bel mobile in legno.

For Olivieri, wood is always a long-standing passion; a natural affinity, a feature rooted in our DNA. Tradition, materiality, research, experimentation: in 2015 we decided to return to our origins, a return to the beauty of the wooden furniture.
