1. **Svitare la staffa e fissarla al basamento in cemento.**

Get off the bracket and fix it to the concrete basement.

Eeguire il cablaggio rispettando la polarità +/-, scaldare la giunzione per renderla stagna. Installare driver remoto a 230V.

Do the wiring respecting +/- polarity; insert the cable in the appropriate joints, heat the joint to make it watertight. install 230V remote driver.

2.

3. **Fissare la lampada alla staffa fissata precedentemente su basamento in cemento.**

Fix the lamp to the bracket previously fixed to the concrete basement.
